TERM 3, WEEK 6 August 2017

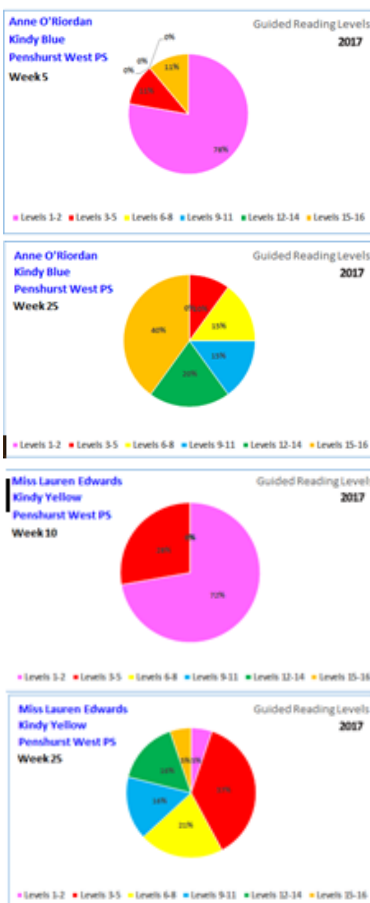

From The Principal's Desk

I would like to extend my thanks to all the parents and families who came to the fete on Saturday. It was a remarkable day and testament to the massive effort of the fete committee. Special thanks to Karla, Suzie, Helen & Kristen, who not only worked tirelessly throughout the day but for many months leading up to the event. Congratulations on such a well organised and successful fete.

Our school continues ever onward and although there have been many activities on this term the student learning is still integral. The graphs represent the Kindergarten growth in reading.

You have the first graph which shows their starting point in term 1 and the most recent one for last week. By the end of Kindergarten it is expected that students reach level 6-8.

The School has also received the overall NAPLAN results for 2017. Our growth between Yr 3 and Yr5 far exceeded the state average in Numeracy, a focus for our school's

three year plan. 92% of year 5 exceeded the expected growth. The State average growth was 97.9 points whilst our school achieved 131.7 points average growth.

Our Spelling results also have continued to improve with 70.2% of students above the expected growth. The State average growth was 90 points whereas PWPS achieved 107.2 points. This has also been an important focus.

PARENT PRESENTATIONS

There are two important presentations coming up that parents need to book to attend. These are valuable sessions and have been requested by parents. The first is **The Cyber Lady**.

The Parent Workshop is in the evening. There is a cost of \$7.00 per adult.

Mark on the Calendar. Cyber Safety Talk 8 September 2017 6pm

The second is a family workshop – **Interrelate**. This workshop deals with children's questions of "where they came from" and "how their bodies are changing" Students must have a parent accompany them for this program. The cost is \$30.00 for one session or \$35.00 for both. The presentation will be in the Library commencing at **6pm and then 7.15pm on Tuesday 12th September.**

School Camp 2017 Recount

On Monday 14th August most of stage 3 arrived at school at 7am to load our bags on the bus. We were all very excited when we said goodbye to our parents. The double-decker bus departed school at about 7:30am.

I sat down the bottom and when I hopped on I sat next to Samara. We waved goodbye to our parents and the bus started heading towards Canberra!

Samara and I chatted on the bus for a while and we got really bored. The teachers gave us booklets about Canberra and we read through them and then popped them into our bags.

When we got closer to Parliament House the driver Mick, gave us a little question. He asked how big the Australian flag on top of Parliament House was in relation to an object. I thought I knew the answer so I put my hand up and said, "Two double-decker buses!" He told me that that was extremely close. Then Leah guessed one double-decker bus and she got it right but we both got a prize. 😊

When we arrived at Parliament House we got off and I was cold so Samara lent me her big jacket. We went inside and had to go through metal detectors like at an airport.

We talked a bit with David Coleman, our Federal member, and had morning tea. Then we got to go into the little booth in the House of Representatives and saw the politicians. Then we went to the senate and noticed that the exit signs were red!

Then we went back into the House of Representatives for Question Time. The politicians were misbehaving and it was funny. My friends and I were laughing when a guy said that there was a 'Blizzard of Taxes'.

Then we got back on the bus and headed to the War Memorial and saw interesting information about past wars. We went into this amazing place outside that was a bit like a dome. It was in honour of an unknown soldier and the walls and the ceiling were mosaic.

Then we left and got on the bus. About an hour later we arrived at the accommodation. We had dinner then did karaoke. In the dining room there was a pet rainbow lorikeet and a few fish in a big fish tank which was very cool. There was a TV, a heater and electric blankets in our room. Then we went to bed.

The next morning we had to get up at 5:30am and get dressed. We had breakfast then went to ski hire. After hiring the things we needed we got on the bus to go to the snow. At the snow we had a 2-hour ski lesson. Me and 4 other experienced skiers got to go up the mountains. We did a few runs then did some jumps. It was so fun.

After the lesson everyone was cold so instead of free time in the snow we just went back to the accommodation and relaxed in our rooms. We all had showers then went to dinner. It was Vanessa's birthday the next day so the cooks made a cake and we sang Happy Birthday. Then we went back into our rooms and watched TV to relax after a long day. Then we went to sleep.

The next morning we packed up then had breakfast and then we loaded our bags onto the bus. We got on and headed to Government House.

Government house had some cool furniture and we briefly met the Governor General. Then we got back on the bus and headed to Questacon.

Questacon was so fun! First we went to the gift shop and bought some cool things then we went into the science rooms. My absolute favourite thing at Questacon was the Free Fall. I got so scared but I was really happy when I did it because it was so fun!

After Questacon we got on the bus and headed home. Everyone was really tired. When we got to school we were happy to be back. My mum picked me up and took me home.

I had an amazing camp even if it felt like a lot of time was spent on the bus! I really liked school camp and the only thing I would change would be the weather at the snow!

The Cyber Lady

The School is hosting a Cyber Safety inservice. The Program will be run for students 3-6 during the day and a special Parents workshop will be run in the evening. This is a valuable opportunity to get an expert to answer your questions and concerns and help protect your children from potential online danger. The cost per adult is \$7.00.

FOR EDUCATORS & PARENTS Raising Responsible Digital Citizens!

6 Steps To Empower Our Kids To Be Responsible Online

Time: 60min - 90min Presentation

Note: This presentation is for adults only - suitable for parents/teachers with children of all ages.

Session Includes:

- Advice on the latest Apps & platforms students are using
- Advice for over sharing, cyber bullying, sexting & balanced screen time
- Safer options for messaging, social media, video apps, & gaming
- Online privacy and digital reputation - tips and settings
- Protecting your child from viewing adult content
- Parental control options for supervising/protecting your child online
- Resources - where to go for help

This presentation will help parents and educators to get up to speed with what our children and students are doing online. Whilst some of Leonie's tips are technical, her down to earth approach to raising digital native children means, you will come away from this engaging talk with lots of practical ideas and resources for improving your families experience with digital technology. No limit on attendee numbers.

Please complete the booking sheet below and return it to the school to ensure you have a seat at this presentation. Don't Miss out.

Please reserve me _____ seat/s for the "Cyber Safety Lady" presentation on 8th September 2017.
(Number)

I understand that the presentation will be held in the school Library starting at 6.00 pm.

I have included a payment of \$7.00

B.E.A.R. Tutoring Project - 2017

Dear Parents and Community Members,

I am looking for parents and community members who are interested in joining our 'Being Excited About Reading (B.E.A.R.) Tutor Program' in 2017.

This 10 week Program involves working with Year 1 and 2 students who require support in **Literacy** in order to help them accelerate their reading skills and to enable them to cope within the classroom.

(Note: Tutors do not need to have a child in Year 1 or 2 to be part of this project.)

Days and times are made flexible to suit you.

Tutors will participate in a training program held at the school and will receive ongoing support during the program.

I strongly ask you to consider a commitment to this 10 week program as we will not be able to provide this wonderful project unless we have your support.

If you would like to be involved in the B.E.A.R. Tutoring Program, please fill in the form below and return it to the office by Monday 28th August 2017.

Thank you,

Anne O'Riordan
Project Coordinator

I am interested in joining the B.E.A.R. Tutoring Program.
